

2010 Jurying Schedule

We currently have several openings for membership to begin in 2010. We will hold Jury Sessions until they are filled -- the schedule is below. Please note that once we fill available memberships, we will cancel all further Jury Sessions. Please check with the gallery prior to submitting your application.

October

Application deadline: October 3
Drop off work: October 9 or 10 (at scheduled ½ hour appointment time)
Pick up work: October 13

Once the Membership Committee has reviewed all applications, they will call you to arrange a 'drop-off' time the following weekend. The gallery membership will meet on October 12 to view and vote upon your work. You will be notified by mail within one week of our meeting. Accepted artists can start their membership in November 2010 (a new exhibit starts November 17). Membership dues will be prorated for November and December to be \$85/month.

November (as needed)

Application deadline: October 31
Drop off work: November 6 or 7 (at scheduled ½ hour appointment time)
Pick up work: November 10

Once the Membership Committee has reviewed all applications, they will call you to arrange a 'drop-off' time the following weekend. The gallery membership will meet on November 9 to view and vote upon your work. You will be notified by mail within one week of our meeting. Accepted artists can start their membership in January 2011.
