Short statement of artistic goals:

How long have you been making art?

Why are you interested in joining an artists' cooperative? What do you feel you could bring to the group?

We strive to maintain a balance in our membership with regards to the artwork itself (mediums, styles, etc) as well as the diversity of our artists (to reflect the richness of our neighborhood). Will you or your work somehow contribute to our diversity? If so, how?

I am interested in: _____ Exhibiting full time (seven exhibits per year)

_____ Exhibiting part time (four exhibits per year)

Please attach a copy of your Artist's Resume/Biography and/or Artist's Statement as well as any marketing materials you may have. **All materials** will be taken into consideration.
